

Andrea's Walk MS Tip of the Week

HEADLINE:

Walk MS Tip of the Week #13: Start with a Self-Donation

BODY:

Q: What's the fastest, easiest, most awesome way to kickstart your Walk MS fundraising?

A: Make a self-donation.

On average, Walk MS participants who do so outraise their peers by a whopping 480%.

And by giving, you're helping to expand cutting-edge research that we believe, in our lifetime, will lead to a cure.

So take a big step forward and self-donate today. Your all-new Participant Center makes it super easy to do.

Fundraising in a Flash: Make A Self-Donation in 60 Seconds

1. Login to your [Participant Center](#)
2. Select "Make a Personal Donation"
3. Choose your gift amount
4. Rock on!

Need Help Fundraising or How to Use Your Participant Center?

Check out the [new Participant Center guide](#) or contact your local Walk MS event manager or Chapter staff.
